

## **English Literature Paper #5 – Poetry Analysis**

### **ASSIGNMENT**

Analyze any poem that we have read this year. This is your opportunity to really get to know a particular poem. It is good to choose a poem you either feel strongly about or have unanswered questions about, preferably both.

**LENGTH** - Please write from 750-2000 words on this topic.

### **TIPS:**

Get out your previous papers to see how you are growing as a writer and also what pitfalls you still struggle with so you can try to avoid them this time.

Make sure you choose a poem about which you have plenty to say, but not a poem that is so large and full of meaning that there is no way you could cover half of it in the word limit.

Please see [Essay Guidelines](#) for more specific ideas about essay structure and pitfalls to avoid.
